

2017 Car Number Policy for IMSA Continental Tire SportsCar Challenge

Vehicle Registration for 2017 is required for every vehicle entered in IMSA Continental Tire SportsCar Challenge competition. Cars missing more than 2 consecutive events lose rights to their issued number. Cars competing in a full season may retain their number for the following season provided they register their car by November 28, 2016. After November 28, 2016, all unassigned numbers will be available on a first come first serve basis. Upon all 2-digit numbers being utilized, new cars will be assigned 3-digit numbers of IMSA's choosing.
