In consideration for such rights, I agree to the following:

- 3. SCOPE OF PERMISSION:** I understand that an Annual Credential solely permits me to enter the track premises, the garage and the pit and pit lane area during the Events in the 2017 calendar season in accordance with the rules and procedures for access as they may be established by IMSA from time to time. - 4. IMSA RULE BOOK.** I will make myself familiar with the current IMSA Rules, and I agree to abide by such rules as they may be amended from time to time.
- 5. NO TRANSFER.** I understand that my Membership/License and Annual Credential (if selected) is personal to me, that I may not transfer or give it to any other person or entity, that any attempt to transfer, lend, or permit any other person or entity to use my Membership/License and/or Annual Credential may result in a fine imposed by IMSA of not less than Five Hundred Dollars (\$500) and suspension or revocation of my Membership/License and/or Annual Credential. In addition, I agree to INDEMNIFY IMSA and all related parties for any damages arising in connection with such unauthorized transfer, lending, or use.

In addition to the extent not already owned by IMSA, I hereby assign to IMSA exclusively and in perpetuity any and all rights set forth above. I represent and warrant that as of the date of this Agreement, I have not granted to any third party the rights described herein. I agree to take all steps reasonably necessary, and all steps requested by IMSA, to protect, perfect or effectuate IMSA's ownership or other interest in these rights. Dear Minor-Aged Driver and Parent or Legal Guardian,

Please find enclosed the 2017 MINOR Competitor History & Physical Examination, MINOR HIPAA (Authorization for Release of Medical Information), MINOR Medical Consent and ImPACT Testing Submission forms.

Due to applicable laws in the various states in which you may compete, IMSA requires all drivers who are 18 and under at the time of his/her initial 2017 on-track participation to sign applicable forms for MINOR drivers. If you are 18 or under, please ensure the forms provided herein are labeled for Minor Drivers and are signed by your parent(s) or legal guardian. If you have not received the correct forms based upon your age, please contact the Medical Liaison Department for the appropriate documents.

Accurate medical information is vitally important. Please thoroughly complete pages one and two of the History form and sign in the designated locations of page three along with a parent or legal guardian. Your personal physician should complete and sign the Physical Exam form based on their review of your medical information and physical exam. Review and complete the top portion of the HIPAA Authorization form, initial lines A–G, and sign and date the bottom along with a parent or legal guardian. The minor medical consent also needs to be fully completed and signed by a parent or legal guardian in the spaces provided. Finally, if not already on file, you are required to submit documentation of an ImPACT test completed within the past two years. For any drivers not racing in any IMSA sanctioned races, submission of an ImPACT test is not required.

You are advised to schedule your physical examination in a timely manner and ensure that a licensed physician will be available to sign or co-sign your form (signatures of Physician Assistants or Nurse Practitioners will not be accepted). All forms must be received by the Medical Liaison Department prior to any 2017 on-track participation in any IMSA sanctioned events. Please retain a copy for your records and return all original forms to:

IMSA Medical Liaison Department
One Daytona Blvd.
Daytona Beach, FL 32114

Do not enclose these forms with any documents sent to other IMSA departments or representatives.

If you need assistance while completing your forms, please feel free to contact the Medical Liaison Department. Once these requirements have been fulfilled, your information will be applied across all IMSA-sanctioned series in which you may compete and you will not be required to duplicate this process for other IMSA series for the 2017 season. We thank you in advance for your cooperation.

Sincerely,
Medical Liaison Department

**HIPAA AUTHORIZATION FOR THE USE AND DISCLOSURE OF HEALTH INFORMATION
(MINOR DRIVERS / COMPETITORS)**

Name: _____ Telephone: (_____) _____ Date of Birth: _____
Address: _____

This Authorization Form describes different uses and disclosures of health information, including as protected under state law and also "protected health information" as defined by the federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the regulations promulgated thereunder. Unless otherwise revoked by me in writing, this Authorization expires twelve (12) months after the date of signing this Authorization ("Expiration Date").

I hereby authorize the following uses and disclosures of my Health Information, as defined below, and as permitted or required by law:

(initial) **A. General.** I specifically authorize and direct any physician, healthcare provider, hospital or other healthcare facility who provided or is providing assessment, diagnosis, care, treatment or services to me prior to execution of this Authorization and/or any time after execution of this Authorization up to the Expiration Date, including their agents, employees and medical staff (collectively "Health Care Provider") to release my "Health Information" (as defined below) to (1) the IMSA Medical Liaison Department and/or their designated agents and employees (collectively "Medical Liaison Department"); and/or (2) IMSA's Substance Abuse Policy's designated Medical Review Officer or its designated agent (collectively "Medical Review Officer") as requested by them for the purposes of safety, quality assurance/quality improvement, my ability or eligibility to compete, and/or my assessment, treatment or care, whether related to a medical, psychological, psychiatric, or substance abuse condition. *"Health Information" is defined as: the full and complete medical record; hospital chart; medical history; notes; reports; data; test results; radiology reports, images and films (such as CT, MRI, and x-ray); documents related to examination or treatment for any physical or mental health condition, sickness or injury; assessments; diagnoses; prognoses; medications and prescriptions; insurance records; physician notes of patient interviews; privileged or private communications; and any and all other health information or records regarding my health or treatment, including correspondence, patient notes, and phone messages. I understand Health Information includes records disclosed to the Health Care Providers by other healthcare providers and facilities who previously provided treatment to me, and that it may include information and records protected under state law (such as certain conditions) and federal law (such as alcohol or drug abuse).*

(initial) **B. Contagious, Infectious, or Communicable Disease.** I specifically authorize and direct any Health Care Provider to release to the Medical Liaison Department, and/or to the Medical Review Officer any Health Information about me regarding assessment, diagnosis, care or treatment of a contagious, infectious or communicable disease (including, but not limited to, HIV/AIDS information, tuberculosis, measles, negative/positive diagnosis, testing, test results, status and treatment), if applicable.

(initial) **C. Mental Health Information.** I specifically authorize and direct any Health Care Provider to release to the Medical Liaison Department, , and/or to the Medical Review Officer any Health Information about me regarding assessment, diagnosis, care or treatment of a mental health condition, illness, or disease, if applicable, for the purposes of safety, quality assurance/quality improvement, my ability or eligibility to compete, and/or for my assessment, treatment or care. This Authorization does not include the release of "psychotherapy notes" (as that term is defined by HIPAA) recorded by a healthcare provider who is a mental health professional regarding a counseling session, but only if such notes are held separately from my medical record. This Authorization does include, for example, all information held in my medical record, other professional notes, medication prescriptions and monitoring, counseling session start and stop times, the modalities and frequencies of treatment furnished, results of clinical tests, and any summary of the following items: diagnosis, functional status, the treatment plan, symptoms, prognosis, and progress to date.

(initial) **D. Alcohol/Drug Abuse.** I specifically authorize and direct any Health Care Provider to release to the Medical Liaison Department and/or to the Medical Review Officer any Health Information about me regarding assessment, diagnosis, care, treatment or referral regarding alcohol and/or drug abuse, if applicable, for the purposes of safety, quality assurance/quality improvement, my ability or eligibility to compete, and/or for my assessment, treatment or care.

(initial) **E. Discussion Permitted.** I specifically authorize and direct any Health Care Provider to discuss, clarify or explain my Health Information with the Medical Liaison Department and/or the Medical Review Officer, upon their request, for the purposes of safety, quality assurance/quality improvement, my ability or eligibility to compete, and/or for my assessment, treatment or care.

(initial) F. Disclosure by Medical Liaison for Certain Purposes. I authorize the Medical Liaison Department to use and disclose my Health Information in their possession, including but not limited to my IMSA Driver History & Physical Forms, Track Incident Medical Reports, and Infield Care Center Reports, to the following: (1) physicians, health care providers, hospitals, infield care centers, and other health care facilities for purposes of my assessment, care and treatment; and/or (2) the Medical Review Officer, , and outside experts, engineers, physicians or consultants retained by any of them, for purposes of safety, quality assurance/improvement, my ability or eligibility to compete, to assist in reviewing accidents and health care services, and making assessments and recommendations related to quality or safety. I understand the Medical Liaison Department coordinators and consulting physicians are not direct treatment providers; they are present at the racetracks to facilitate the sharing of information.

(initial) G. Medical Review Officer Request. I acknowledge that, under the rules of IMSA's Substance Abuse Policy, the Medical Review Officer serves as an independent and impartial physician who investigates whether a laboratory non-negative test result was due to a legitimate medical explanation. I understand that under IMSA rules the Medical Review Officer may request medical information and records as part of inquiring into whether there is a legitimate medical explanation for a result. I specifically request and permit Health Care Providers and the Medical Liaison Department to disclose, discuss and explain my Health Information as necessary to respond to such a request from the Medical Review Officer.

I understand that I have the right to revoke this Authorization in writing at any time by notifying, as applicable, the disclosing Healthcare Provider, Medical Liaison Department, and/or the Medical Review Officer. I understand that the revocation is only effective after it is received. I understand that any use or disclosure made prior to the revocation in reliance on this Authorization will not be affected by a subsequently received revocation.

I understand that once Health Information is disclosed pursuant to this Authorization, it may be re-disclosed by the recipient, and federal or state law might not protect it. I understand a health care provider; hospital or health facility may not condition my treatment on whether this Authorization is signed. I understand that IMSA rules and policies will govern whether I may participate in any IMSA-sanctioned event if I choose to revoke this Authorization.

I have read this Authorization, I understand what it says, and any questions of mine have been answered to my satisfaction. I understand that I am entitled to receive a copy of this Authorization, and I allow a photocopy to be deemed valid as a signed original.

Entrants & Drivers:

IMSA requires all drivers to complete a neurocognitive baseline ImPACT test prior to any IMSA-sanctioned on-track activity. The test must be performed within the last two years from date of membership application by a healthcare provider who is a credentialed ImPACT consultant. Please note, if your ImPACT Test expires in the middle of the season, you must complete a new test to continue racing.

Drivers may complete this requirement by going to https://www.impacttest.com/find_care_provider/ to find a provider near you.

The IMSA Medical Liaison Department will accept the ImPACT Test three different ways:

- The 5-page ImPACT Test report that you can obtain from your credentialed ImPACT consultant
- The ImPACT Test Submission form accurately completed by a credentialed ImPACT consultant
- The ImPACT Test Confirmation email that you will receive via the email address you use when you take the ImPACT Test

All medical forms including the ImPACT Test Submission form are available at <http://competitors.imsa.com/credentials-membership-driver-application-forms> or by contacting the IMSA Medical Liaison department.

The IMSA Medical Liaison department collects & retains all ImPACT test documents. After completing the test, a physiatrist (medical physician specializing in rehabilitation medicine) will review the test for validity & accuracy. Any concerns will be reported directly to the competitor.

For information and resources about concussions, visit The Center of Disease Control and Prevention website at <http://www.cdc.gov/headsup/index.html>.

The Medical Liaison Department is here to assist you. Please do not hesitate to contact us.
