- Livingston must have a valid Power of Attorney prior to processing this bond application. Until Livingston receives a properly executed Power of Attorney, Livingston reserves the right to charge for the use of its bond.
- U.S. bonds are good for a one-year period and are automatically renewed unless termination is requested in writing. A bond premium will be charged annually.
- If there is a significant change in the information provided above, the principle on the bond must notify Livingston immediately and submit an updated bond application. Failure to do so may cause your U.S. imports to be delayed or rejected.
