Re: 2017 Driver Medical Packets, ROAR Participation

---

Drivers participating at the 2017 ROAR must complete their 2017 IMSA Medical Packet well in advance of the Event. For convenience, every Driver will receive the 2017 IMSA Medical Packet at the email address IMSA has on file for them. Please contact the Medical Liaison department at [twright@imsa.com](mailto:twright@imsa.com) and/or [arice@imsa.com](mailto:arice@imsa.com) if your email address has changed so the database can be updated. The 2017 IMSA Medical Packet is also available at [imsacompetitors.com](http://imsacompetitors.com).

Please do not delay in completing your medical requirements. It is imperative we receive these completed forms no later than Monday, December 19, 2016 for proper review, as the IMSA offices are closed between December 24 and January 3. Delayed medical packet processing time at the track may be as long as 24 hours.

Please note, the minor age has changed to 18 years and under, so please be sure to complete the appropriate packet. Please feel free to contact the Medical Liaison department should you have any questions.
