

2018 EXHIBITION PLACE SUPPLEMENTARY REGULATIONS:

- Smoking is not permitted anywhere on Exhibition Place grounds.
- Pit/Paddock support vehicles such as motorcycles, mini-bikes, ATVs and similar, driven by licensed drivers only, are allowed in the paddock area **at the organizer's discretion** and privileges may be revoked at any time. Minors are prohibited from their use. Any support vehicle not used to tow racecars must register for a permit.
- No parking is available in the infield paddocks for Competitors/Crews/Sponsors/Officials daily transportation. Parking passes will be required for access to available lots.
- The paddock is considered a working area. The following are not allowed within the paddock:
 - a) Motor homes (except when being used as the authorized support vehicle)
 - b) Alcoholic beverages
 - c) Hospitality activities (beyond the feeding of crewmembers) without prior approval by the event.
 - d) Promotional activities (i.e. sampling, brochure distribution, advertising displays, inflatable's, temporary signage, etc.) without prior approval by the event.
- Fire lanes and access to exits have been designated by the Toronto Fire Marshall and must be kept clear at all times.

Please note that the paddock is a public area. Be aware of pedestrian traffic when moving vehicles into and through the paddock area.

Please ensure that all valuables are secured at all times in the paddock area in order to reduce the risk of theft.

Fluids other than water may not be disposed of on the ground, the roadways or down sewers. Any spills must be cleaned up IMMEDIATELY! Used fluids, oil, coolant etc. are to be disposed of in the containers provided in the paddock.
