

IMSA WeatherTech SportsCar Championship and IMSA Continental Tire SportsCar Challenge competitors participating in the 2018 Rolex 24 weekend will be provided one (1) motorhome space per entry at no cost. Additional motorhome spaces can be purchased for \$550 per space. All IMSA WeatherTech SportsCar Championship teams are limited to a total of five (5) spaces per entry (one complimentary, four available for purchase). IMSA Continental Tire SportsCar Challenge teams are limited to a total of two (2) spaces per entry.

Each IMSA WeatherTech SportsCar Championship entry will receive one motorhome space in the primary Driver/Owner lot for reservation forms submitted on or before Wednesday, January 3. The remainder of the spaces in the primary Driver/Owner lot will be allocated based on 2017 team standings in each class (P, GTLM, GTD). Once the primary lot is at capacity, teams will be parked in our designated infield overflow lot. In the event we receive more requests than spaces available in the infield, space will be provided in GEICO Park West located outside Turns 1 and 2 of the superspeedway. Both overflow areas have no hookups but generators are allowed.

Each IMSA Continental Tire SportsCar Challenge entry will receive two motorhome spaces in the designated overflow lot for reservation forms submitted on or before January 3. Best efforts will be made to allocate additional spaces requested per entry, but is not guaranteed based on availability.

Please be aware, in 2019 complimentary spots will no longer be available. All spots requested will need to be purchased.

To secure your Driver/Owner motorhome site(s), please complete the attached form and email it to Tori Shornak at vshornak@daytonainternationalspeedway.com. All requests are due no later than Wednesday, January 3, 2018.

If a request is made after the January 3 deadline, teams will receive one motorhome space per entry at no additional cost in the designated overflow lot if space allows. Requests for additional motorhome spaces received after the January 3 deadline will be charged \$600 per space. As a reminder, all IMSA WeatherTech SportsCar Championship entries are limited to a total of FIVE spaces per entry (one complimentary) and all Continental Tire SportsCar Challenges entries are limited to a total of TWO spaces per entry (one complimentary).

Motorhome passes will be mailed in advance of the event and must be prominently displayed on the windshield upon arrival at Daytona. Load-in begins on Tuesday, January 23 and all lots must be vacated by Noon on Monday, January 29.
