

TO: All Chevrolet Detroit Grand Prix presented by Lear Participants and Guests

FROM: Michael Montri, President

SUBJECT: Enhanced Security Measures

DATE: March 29, 2018

The Chevrolet Detroit Grand Prix presented by Lear is implementing enhanced security measures at this year's event. In addition to our past entry process, each participant, including race league officials, drivers, team owners and crew members along with vendors, SCCA workers, corporate partners, volunteers and staff will be subject to a metal detector screening prior to entering the venue. Early morning arrivers are asked to enter through the main gate, just past the Box Office as there will be no pedestrian access at Sunset Drive and through the opening at the first turn.

Any items (on the venue prohibited list or not) considered suspicious are subject to confiscation, and entry to the venue could be denied.

Your cooperation and understanding is appreciated and we look forward to seeing you in June!
