Re: Classique d'automne auto race; September 26-29, 2019; Le Circuit Mont-Tremblant

Dear Ms Picard

We are writing to inform your office that Circuit Mont-Tremblant will once again be holding the annual event noted above at the track on the dates of September 26-29, 2019.

For this year's Classique d'automne, one of the individual races will be the final race of the Porsche GT3 Cup Challenges, for both American and Canadian race teams. As such we are expecting several American race teams along with their crew and support people who will be importing their race cars, parts and support equipment for use at the Classique d'automne Race. We do not expect to have any imported merchandise on sale at the track but there will be domestic suppliers selling their wares at the track during this event.

We hereby request use of tariff item 9993.00.00.00 for purposes of temporary import of the race team's cars, parts and equipment.

The move in date will be September 23-24, 2019 and the move out date will be September 30, 2019 however, since Mont-Tremblant is a resort area, some race teams may arrive prior to move-in date and may remain in the area after the move-in date.

We trust that this matter has been handled to your satisfaction and that the information we have supplied is sufficient for your requirements. If you require additional information, please contact the undersigned at Tel (819) 425-6363, or Fax (819) 425-1195.

Sincerely,

Vincent Loughran
VP-Operations
