POLICY, TERMS & CONDITIONS

As part of Exhibition Place environmental policies gas powered generators are not permitted to be used by events and/or concessions unless the following guidelines are met. Please note that this is an addition to the existing Exhibition Place Policy and is to be used in conjunction with that policy and is not to replace the existing policy. Note this policy applies only to Food Vending Trucks with built in generators used outdoors.

- Separate gas or diesel generators are NOT permitted unless they meet the requirements of the existing Exhibition Place Generator Policy
- All gas or diesel generators must be built into the portable concession and permanently wired
- All gas or diesel generators must have a CSA or other approved label
- All gas or diesel generators must be inspected and approved by an ESA inspector or the concessionaire must provide an inspection certificate supplied by ESA
- All gas or diesel generators must have their own built in fuel tank, a fuel tank that is not part of and built into the portable concession is not permitted
- Any portable concession that has added additional equipment which overloads the built in generator will not be permitted to use an external separate generator but must either disconnect the additional equipment or order additional land power through the Exhibition Place Exhibitor Services Department
- Concessions that have built in gas or diesel generators must follow approved procedures for safe storage of fuel and fueling of the generator
- Concessionaires using a built in generator are not permitted to sublet power to another concession
- All gas or diesel generators are strictly prohibited from being used within Exhibition Place buildings

FEES:

Built in Generator use is only allowed once a “Food Truck Built In Generator Permit” has been secured and posted in a permanently visible location Food Truck Built In Generator Permit fee is $?? + HST(ADVANCE RATE) which includes an environmental fees. Permits can be obtained from the Exhibition Place Exhibitor Services Department. This permit must be ordered by the event advance rate date which is specified by the Exhibition Place Exhibitor Services Department and included in the event Exhibitor Kit. Orders placed after advance rate is subject to standard rates.

I AGREE TO POLICY, TERMS AND CONDITIONS AS OUTLINED ABOVE.
