

Permit questionnaire Ontario (Mosport/Bowmanville, Toronto)

In Canada the laws applying to heavy vehicles are different from in the United-States and vary from province to province. In Ontario the USDOT is not valid; you will need an Ontario CVOR. The CVOR applies to any equipment that has a register gross vehicle weight equal or over 4 500 KG (9 920 LBS). To help us determine which permits you require, please answer the following questions:

1. Do you have a active CVOR (must be renewed every year)? Yes No
2. List your USDOT number: _____
3. What is the name showing on the vehicle door? _____
4. Do you have Ontario listed on your cab card (ON)? Yes No
Note: gross vehicle weight listed is in KG
5. Are you using a Recreational Vehicle or Toterhome? Yes No
6. Will you travel in any other province? Yes No
7. Do you have a active SCAC code (must be renewed every year)? Yes No
8. Ontario and other Canadian provinces have specific laws about tractor and trailer configurations. Please see attached sheet (ONTARIO MEASUREMENTS REGULATIONS).
If you answered yes to question 1 or 4 OR answered no to question 2 or 5 please be advise your equipment isn't legal for Ontario. No permit are available at this time

Question 9 & 10 only apply if you are traveling through the state of New York

9. Do you have a valid NY HUT sticker or temporary permit for the trucks going to event in the province of Ontario?
Yes No
10. Do you have New York listed on your cab card? Yes No

With that information, we will be able to send you other forms, which will ask only for the information that we require for your specific situation.
