Re: Michelin IMSA SportsCar Encore at Sebring Sporting Regulations, Clarification

---

In response to questions raised at the Thursday Encore Team Manager and Driver briefing, please see the below clarification.

**38.2. (SSR) Driver Assistant.** During a pit stop, one (1) person (must be only a Driver nominated in the Car) is permitted only to give the Driver assistance (such as drink bottle, cool suit, radio, ID plug, helmet hose, fasten/tighten the safety harness), and to close the door(s), regardless of Driver change or not. Any one (1) of the three (3) persons maximum may otherwise perform this function. Gloves are not required to assist the Driver.
