Date: May 24

Re: Belle Isle Pre-Event Live Refueling Session

---

Exclusively to confirm the refueling restrictor, Teams may access the pit lane from 6:00 PM - 7:00 PM on set-up day, Thursday, May 31, for the sole purpose of refueling the Car from the autonomous pit tank in each Competitor's assigned pit box.

The following requirements apply for this session:

- Cars must be pushed, not driven, to the pit lane starting at 6:00 PM
- Autonomous tanks may be filled starting at 6:00 PM and must be drained by 7:00 PM
- All participating crew must be appropriately attired per Sporting Regulations Article 21, Refueling
- Crews must provide a properly equipped fire bottle attendant
- Running of engines is prohibited
- The pit lane must be vacated by 7:00 PM
