Re: WGI Pre-Event Live Refueling Session

Exclusively to confirm the refueling restrictor, Teams may access the pit lane from 5:00 PM - 5:30 PM on WeatherTech Championship set-up day, Thursday, June 28, for the sole purpose of refueling the Car from the autonomous pit tank in each Competitor's assigned pit box.

The following requirements apply for this session:

- Cars must be pushed, not driven, to the pit lane starting at 5:00 PM;
- Autonomous tanks may be filled starting at 5:00 PM and must be drained by 5:30 PM;
- A maximum of three (3) over-the-wall crew must be appropriately attired per Sporting Regulations Article 21, Refueling;
- Crews must provide a properly equipped fire bottle attendant;
- Running of engines is prohibited;
- The pit lane must be vacated by 5:30 PM, Cars must only be pushed, not driven.
