Re: IWSC Private Testing Schedule / IMSA Notice Board

To All Teams,

The 2018 IMSA IWSC Private Testing Schedule has been relocated to the WeatherTech SportsCar Championship Event Page found at imsacompetitors.com, under the "Event Information" tab. The IMSA Testing Registration Form will continue to be located under the "Forms and Applications" tab.

As a reminder to all IWSC participants, the IMSA Notice Board is a valuable source of the most up to date information throughout an Event Weekend. To access the site, go to the IMSA Timing and Scoring website – results.imsa.com – and click on "Notice Board" located in the top right corner of the page. IWSC Competitors will have access to valuable event specific information such as:

- Event Schedule
- Pit Box Assignments
- Paddock Map
- Timing and Scoring Map
- Briefing Photos
- IMSA Channel List
- Entry List
- Minute by Minute Schedules
- Penalties
