Re: 2018 IMSA Race Control Structure

---

IMSA has made the following appointments in its 2018 Race Control structure starting at The ROAR Before the 24 Event.

Beaux Barfield has been confirmed as Race Director for the IMSA WeatherTech SportsCar Championship and also returns to that role for the IMSA Continental Tire SportsCar Challenge.

In his role as Senior Director of Racing Operations, Mark Raffauf will take the position of Race Director for the IMSA Prototype Challenge Presented by Mazda for their first race at The ROAR until a permanent appointment is determined for the remainder 2018 season.

Confirmation of the Race Director for the Porsche GT3 Cup Challenge USA by Yokohama and for the Ultra 94 Porsche GT3 Cup Challenge Canada by Yokohama will be announced in the coming weeks.

All IMSA Race Directors continue to be supported in their responsibilities by a full complement of Race Control staff which includes IMSA's group of Driver Advisors - Elliott Forbes-Robinson, Beaux Barfield, Johnny Unser and Didier Theys.
