

STANDARD ENTRY AGREEMENT TERMS & CONDITIONS

In consideration for a Standard Entry and the opportunity to participate in the 2019 IMSA sanctioned activities selected in the 2019 Events & Standard Entry Fee Schedule, and any other events Entrant applies for during the Season (collectively, "Events") for the Porsche GT3 Cup Challenge USA by Yokohama ("Cup") sanctioned by International Motor Sports Association, LLC ("IMSA"), as set forth below, Entrant agrees to the following:

1. STANDARD ENTRY

A. Entrant acknowledges and agrees that there are a limited number of Standard Entries available for each class in the Cup. **IF THIS APPLICATION IS ACCEPTED, ENTRANT SHALL BE OBLIGATED TO PAY THE STANDARD EVENT ENTRY FEE FOR THE APPLICABLE CLASS FOR EVERY EVENT ENTRANT HAS REGISTERED FOR** and attempt in good faith to compete in each such Event during the 2019 season to the best of their ability. If Entrant withdraws and/or fails to participate in any Event in which it is registered for, Entrant shall still be required to pay IMSA the Standard Event Entry Fee for the Event(s).

B. A Standard Entry is not eligible for the Cup Year / End Point Fund Prize Money. However, the Standard Entry will earn points towards and have the opportunity to place in the championship points standings.

2. AWARDS

A. All decisions regarding the eligibility of Entrants to compete for awards distributed in connection with the 2019 Cup and the persons to whom such awards shall be distributed shall be made solely by IMSA. Any money won shall be paid by IMSA solely and directly to the Entrant. Entrant agrees to abide by all decisions of IMSA with respect to the distribution of these awards.

B. If Entrant is the 2019 Championship Champion (ranks in top three (3) of class), Entrant agrees to attend and participate along with its winning driver(s) at the 2019 Awards Banquet, ceremonies and related events at times and locations designated by IMSA.

C. Filing and payment of all federal, state, local and foreign taxes associated with prize money, point fund, special awards and contingency winnings are the responsibility of the Entrant.

3. **ADVERTISING AND PROMOTION RELEASE.** Porsche Motorsports North America, Inc. ("**Porsche**"), Yokohama Tire Corporation ("**Yokohama**") and IMSA, and the duly authorized licensees and assigns of each of them, may use, on a non-exclusive basis, Entrant's name, likeness and performance, including photographs, images and sounds of Entrant, any drivers, any crew members, and/or any vehicle(s) with respect to which Entrant competes in 2019 Cup Events, in any medium (including, but not limited to, broadcasts by and through television, cable television, radio, pay-per-view, closed-circuit television, satellite signal, digital signal, film productions, audiotape productions, transmissions over the Internet, public and private online services authorized by IMSA, sales and other commercial projects) for promoting, advertising, or reporting any 2019 Cup Event, Porsche or Yokohama's participation in the Cup, IMSA and/or the Cup itself, or related telecast or programming, before, during and after such Event or Cup, and Entrant does hereby relinquish to Porsche, Yokohama and IMSA, in perpetuity, all rights thereto for such purposes.

4. CATEGORY EXCLUSIVITY.

A. **Yokohama Tire.** Entrant agrees when participating in any way in an Event, unless otherwise expressly authorized in writing by IMSA, no product, brand, logo, trademark or service identification of a company and/or product in the Tire Category (as defined below) other than Yokohama Tire will be used or displayed anywhere by Entrant, the team, or any contractor, employee or affiliate thereof, including, without limitation, on the drivers' or crew members' team uniforms or the race car, as well as the team's equipment, and/or haulers. Entrant understands and agrees that all determinations of whether a company/product is in the Tire Category shall be made by IMSA in its sole discretion and are final and cannot be protested.

i. Retail Tire Company. Branding of a retail tire company and/or repair facility which features the word "tire" in conjunction with the company name (e.g. Discount Tire), shall be permitted provided that such third-party retailer/repair facility does not include the name of a single competitor tire brand (e.g. Firestone, Auto Care) or is owned and/or operated by an entity that is a third-party competitor tire brand and gives preferential treatment to a single competitor brand or affiliate brands.

ii. Team Equipment. Notwithstanding the foregoing, actual use of tires on team equipment other than the racing car (e.g. golf carts, pit carts and transporters) shall not be considered a breach of the terms of this Agreement.

B. **Fuel.** Entrant agrees when participating in any way in any Event, unless otherwise expressly authorized in writing by IMSA, no product, brand, logo, trademark or service identification of a company and/or product in the Fuel Category (as defined below) other than VP Racing Fuels (and IMSA approved alternative fuel suppliers), will be used or displayed anywhere by Entrant, the team, or any employee or affiliate thereof, including, without limitation, on the driver's or crew members' team uniforms or the race car, as well as the team's equipment, and/or haulers. Entrant understands and agrees that all determinations of whether a company/product is in the Fuel Category shall be made by IMSA in its sole discretion and are final and non-litigable. Entrant acknowledges and agrees that any request for an exemption of this provision must be submitted in writing to David Pettit, Vice President of Marketing, IMSA (dpettit@imsa.com) and include picture(s) of the branding of the car, fire suite and/or uniform as Entrant intends them to look during the Event no later than fourteen (14) days before the applicable Event. Should IMSA agree to such display, Entrant may be required to forfeit any Year End Point Fund / Prize Money it may have otherwise been entitled to at the end of the season. Such forfeiture shall not change Entrant's obligation to participate in all the scheduled 2019 Events.

i. Lubricants. Notwithstanding the foregoing, a company in the Fuel Category may also manufacture lubricants (i.e., motor oil, etc.) and other products or offer other services (i.e., convenience stores) other than automotive fuel (collectively "Non-Fuel Products"). Such Non-Fuel

Products sponsorships may be permitted subject to IMSA approval and provided the team's racing car, uniforms, transporter and at-track equipment etc., cannot feature the brand, logo, trademark or product or service identification of a i) fuel, or ii) fuel retailer, or iii) a corporate brand name of a company in the Fuel Category without specific reference to the Non-Fuel Products brand.

C. INTENTIONALLY DELETED.

Entrant agrees to accept IMSA's determination in this regard, and that all such determinations are subject to the RULES and are final and non-litigable.
