Re: 2018 WeatherTech Championship Leader Lights

IMSA WeatherTech SportsCar Championship P, GTLM, and GTD Entrants are required to run a new specification of Leader Light System exclusively supplied by MoTeC starting at the 2018 Roar Before the 24. The new Leader Light System consists of two LED panels connected directly to the IMSA Scrutineering System.

Leader Light components are no longer purchased through IMSA and are available solely through MoTeC Systems East.

Ordering information is found on the next two pages.

IMSA WeatherTech Leader Lights Order Form

Prices for the kits are as follows:

- \$1400 COMPLETE KIT (2 panels)
